

# Product Safety Recall

## DY-MARK FLAW CHEK STEP 3 REMOVER AND FLAWCHEK KITS CONTAINING STEP 3 REMOVER

BATCH NOS. 36919 & 37449.

PRODUCT CODE: 19013503 & 19013599 (KIT).

**Defect:** Valve Defect that may cause the valve to fail.

**Hazard:** If the valve defect occurs when using the product, the spray will release the contents from within the can in an uncontrollable continuous flow until the can empties. If the user comes in contact with the product and experiences any adverse reactions, the user should seek immediate medical advice from a doctor.

**What to do:** Cease product use immediately and isolate. Contact our Customer Service Centre on 1300 396 275 to arrange a full refund or a replacement.

**Contact Details:** Customer Service 1300 396 275 or email [sales@dymark.com.au](mailto:sales@dymark.com.au) or go to [www.dymark.com.au](http://www.dymark.com.au)

Dy-Mark Australia is committed to safety in the workplace and wishes to sincerely apologise to our customers for any inconvenience caused.
