Mine Marking

Marking Out Paint 350g [Qty 12]

Features & Benefits

- Specially formulated for above/below ground areas
- High opacity, high quality, true colour pigment loading
- Two nozzle options available for upright/inverted spray or horizontal spray application
- 360° degree valve for any direction spray
- Bright, highly visible marks on dark surfaces
- Applications include marking out ore zones in grading control, pit walls and survey grid layouts
- Vertical spray is suitable for use with Dy-Mark's Mine Marking Handle (5m extension)
