

STEEL STRAPPING

Features & Benefits

- Safely secure heavy and bulky items during transport and storage
- Suitable for many industries including; construction, shipping and manufacturing
- High tensile strength and shock resistance
- Use in conjunction with Dy-Mark Steel Strapping tools

Steel Strapping

	I/N	Breaking Load
Steel Strapping 12x200m 0.5mm – Regular	35250112	540kg
Steel Strapping 16x208m 0.5mm – Regular	35250115	680kg
Steel Strapping 19x210m 0.5mm – Regular	35250119	810kg
Steel Strapping 19x378m 0.8mm – High Tensile	35250419	1410kg
Steel Strapping 19x210m 0.5mm – Zinc Coated	35240119	760kg
