

# Company Introduction

Established in 1964, Dy-Mark is a leading force in the manufacturing and distribution of top-quality, specialised marking paints and coatings. For more than 60 years, we have been a trusted name in consumable products, known for our innovation, reliability and commitment to quality.

Our growing product range includes aerosol and bulk marking paints, inks and dyes, industrial markers, stencilling products, metal protection, decorative and protective coatings, cleaners and lubricants, and industrial packaging products.

We take pride in building strong relationships with our internal teams, customers, and industry partners- locally and across our global network. We exceed expectations by combining expert industry and product knowledge with unparalleled service.

With strategically located distribution centres across Australia and internationally, we ensure efficient delivery and responsive customer support.
